

## Chapter 14

- Why is faith the only means through which mortification can take place?
- What is the relationship between faith, repentance, and mortification?
- What fruit will there be when we focus our faith on Christ?
- What is it about the life of Christ that should encourage our faith and give us hope in mortification?
- How will faith make use of the means of grace for mortification?
- What expectations for mortification should this type of faith in Christ rightly produce?
- How is the Spirit involved in the mortification of sin?
- How is the Spirit's role related to the work of Christ?
